

VACANCY NOTICE

Director of Facilities

The Wilmington School District is currently seeking applicants for a job vacancy within the Facilities Department. Successful candidates should possess strong mechanical ability in building maintenance and repair work. Technical trade training &/or work experience in areas such as electrical, HVAC, carpentry, mechanics, plumbing/pipe fitting, etc. would also be desirable. The director of facilities is responsible for overseeing the daily operation of the facilities and maintenance department and to ensure the smooth operation of work orders for all buildings. The director will also be responsible for planning, leading, managing, directing and guiding the maintenance/custodial staff. The Director of Facilities is responsible for keeping the District's equipment in such a state of operating excellence that they present no problems or interruptions to the educational program.

Start Date: Summer 2024

Employment Status: Full-time, non-union, 12-month position

Salary & Benefits: Commensurate with abilities, skills & prior work experience of final candidate

Interested applicants should submit questions and inquiries to:
