

A message from WILMINGTON CMTY UNIT SD 209-U

ATTENTION PARENTS & STUDENTS –

Thank you again for understanding in regards to today's unanticipated early dismissal for students. Unfortunately, we are still awaiting some final test results for a few support staff members. Although none of our Food Services employees have actually tested positive for COVID at this time, as a result of close contacts, we believe that the wisest and safest course of action for the week ahead is to implement early student dismissals for each day. With Friday already being scheduled for an early release, we decided to exercise extra caution in striving to ensure the safety and well-being of both staff and students.

Please take note of the slightly different student release times. Student dismissal times will be as follows for all of next week:

- 12:00 - Bruning
- 12:15 - WHS
- 12:20 - WMS & SIS

I also wanted to remind everyone that there will be NO breakfast or lunch available to remote or in-person students throughout next week.

Please know that our school buildings, all classrooms, hallways, entryways, gyms and other spaces, are carefully cleaned and disinfected at the end of each day. Our facilities are clean and safe for students to attend classes next week as usual in each of our four schools.

Our hope will be to return to our normal, full-day school schedule and operations on Monday, November 2nd.

Thanks again for your understanding. Enjoy the weekend and stay safe & well.

Matt Swick
Superintendent of Schools
Wilmington School District
